When a business offers more than one type of service, they pay for the highest fee permit as the base fee and \$191 for each additional service up to a maximum of two additional fees charged.

* Exemptions - Pet food retail business permit fee shall be waived for any holder of a current pet shop, commercial kennel, pet daycare facility, animal shelter or pet grooming service permit.

**Satellite pet adoption locations must be co-located with a permitted pet shop, commercial kennel, specialty pet food retail business or pet grooming service in order to qualify as a "satellite adoption facility." If the adoption service is a "stand alone" facility – i.e., not co-located with another type of pet facility – it would not qualify as a "satellite adoption facility," but would be classified as a Category 1 (performing up to 1500 pet adoptions per year) or Category 2 (performing over 1500 pet adoptions per year) animal shelter.
